## Trustees

G. F. GILBERT

FRED P. JEUNE

Two trustees of Saanich School District have indicated their intention of seeking a further term of office. They are G. F. Gilbert, of Sidney, electrician and former provincial government pilot, and Fred P. Jeune, of Royal Oak, retired Victoria businessman.

Mr. Jeune will place his name before the electors of Saanich in the December election. Mr. Gilbert will face re-election at the forthcoming meeting of the rural area of Saanich district in North Saanich high school on November 20. The meeting will be called to present ratepayers in the unorganized territory, which includes the Village of Sidney, with a report of the past year's operation and permit of the election of a trustee to represent the area ratepayers on the board.

On Monday evening trustees decided to hold the meeting in the high school after staging it in Sidney school last year. It will be held again in Sidney next year, alternating between Sidney and the rural district.

## Council Meeting

Central Saanich council will meet on Tuesday evening of next week at Saanichton.

The meeting has been postponed for one day owing to the fact that the regular meeting day, Monday is Remembrance Day.

## TO RATEPAYERS

## Baal Lashes Out At Tax Rate In Sidney Village

No great interest was evident in Sidney village affairs when the Village of Sidney Ratepayers' Association met in the dining room of Hotel Sidney on Friday evening. Lawrence James reported that he had interviewed four prospective candidates for village office and that three had declined to run, while the fourth has yet made no definite answer.

G. L. Baal spoke strongly on the subject of taxes. When the village was formed, he stated, it was anticipated that taxes would not rise, although there were many critics to question this confidence.

"Taxes are going up every year," said Mr. Baal. The sidewalk program planned for next year will probably bring a further increase, he added.

## What Was Her Silver Ball On Wednesday?

On Wednesday evening last week, at seven o'clock, a silver ball crossing the sky at considerable speed attracted the attention of a Deep Cove resident. She later described the object as a brilliant smooth silver ball which sped from north to south, apparently varying height as it appeared to bounce.

She was prepared to admit that it might have been a balloon, but she maintained, it could as readily have been a celestial traveller at considerably greater height. Before she could draw attention to the object to gain substantiation, it had disappeared.

## TRUSTEES FINALLY GATHER

They made it on the third try! On Monday evening Saanich School District board of trustees assembled at last to hold the regular October meeting . . . on November 4.

Regular meeting date of October 21 proved that too many were laid low with Asiatic flu, there was no quorum. A special meeting on Wednesday evening, Oct. 30, was greeted with the same result.

On Monday all trustees except G. F. Gilbert were sufficiently recovered to take their places at the board table.

## CENTENNIAL PARK SEEDS

The new centennial park on Wallace Drive, Saanichton, has been cleared and levelled and is now seeded down to grass.

Drilling of the well is to be commenced in the near future, when the rig is available. Members of various organizations in the area will form work bees to carry out various projects towards the development of the park.

The Sidney Rotary Club has already voted to contribute a wading pool to the park, but no action can be taken in this direction until an adequate supply of water is available.

## Recapped Tires

Recapped tires may not be placed on the front wheels of school buses. This comment was made by Trustee R. C. Derringer on Monday evening to Saanich School District.

He was speaking of the question of recapping the rear tires on a school bus for a second time.

It was felt by the authorities, he observed, that where dual rear wheels are fitted a tire weakness was less hazardous than on the single front wheels.

## WREATH

Saanich School District will provide a wreath for Remembrance Day to be laid on the cenotaph in Sidney. Trustees approved the gesture on Monday evening.

## More Passengers And Less Vehicles Here This Year

Total passengers passing through Sidney customs port during the year, 1957, showed a material increase over the figure for the previous year when 117,466 passengers passed through, as compared with a total of 107,023 in 1956.

The numbers of cars passing through showed a slight decrease. This year's figure stood at 32,450, compared with 32,912 last year.

The year's totals are shown in the table below, furnished by the department of national revenue.

## North Saanich Goes Over The Top In Campaign Here

© Walt Disney Productions

Sidney and North Saanich have led the way on the Greater Victoria Community Chest drive. When the chairman of the drive, J. Harold Wilson, announced this week that the target of \$2,500 had been exceeded he was announcing a double triumph. Under his guidance the campaign successfully surmounted any previous year's total and it had reached its conclusion before many districts in the chest area had gone vastly beyond the half-way mark.

The campaign this year has been largely directed by a mail canvass, with a personal canvass of many homes in a centralized area. Last year's total was slightly over \$1,750.

The Chest numbers 20 agencies within its membership, each of which is dependant upon the annual drive for funds to maintain itself during the coming year. These agencies operate throughout the lower island area and the majority of funds collected will be distributed in the district. In previous years the distribution has exceeded the collection.

Last week saw the collections mount above the \$2,000 mark, thereby establishing a record. Today's total is an all-time high and the contributions are still coming in.

Contributors who have not yet donated to the fund are invited to mail their contributions to the North Saanich headquarters at 1045 Third St.

## POLICE OFFICER IS PROMOTED

Officer in charge of the R.C.M.P. detachment at Sidney has been promoted to the rank of corporal. Cpl. W. Stanton has been in charge here since he took over the reins from Cpl. G. F. Kent, now stationed in Fernie, B.C. Cpl. Stanton has identified himself with many youth organizations during his service in Sidney, notably with the Teen Town, which he has resurrected into an active group.

## Brazier Fumes Claim Lives Of Two Galiano Hunters

—On Cariboo Trip

Sudden death struck at two Galiano families last week when Denis Denroche and Jack Page were victims of carbon monoxide poisoning in their Jeep while hunting in the Cariboo. Mr. Denroche, commercial pilot with the Fleetwood Logging Company, made his home in Vancouver while Mr. Page, Gabriola merchant, resided on that island. The two hunters were discovered in the vehicle, asphyxiated by fumes from a small stove.

Both men hailed from Galiano, where their parents are still residing. Mr. Denroche was the son of Capt. and Mrs. I. G. Denroche. Mr. Page was the son of Mr. and Mrs. Stanley Page.

The two left on October 21 for a hunting trip. They travelled into the Cariboo in a red jeep. When they failed to return within the scheduled time a concerted search was inaugurated. Parties searched from the ground while aircraft were engaged in an aerial check. Last week-end a detachment from the R.C.M.P. at Alexis Creek discovered the two men in their jeep. Both had been overcome by fumes.

## PAY DAY EARLIER

In future old-age pension cheques, formerly received on the last day of the month, will be delivered two or three days earlier. The Review is informed by postal officials. Delivery of military pension cheques is unaltered.

## JOINS POSTAL STAFF

Gordon Cherry, well-known Sidney resident, has been appointed to the staff of Sidney post office and has already assumed his new duties.

## NEW JEWELLERY STORE WILL OPEN IN SIDNEY ON NOV. 15

E. F. "Ted" Martin, well-known Brentwood resident, announced to The Review this week that he will open a modern jewellery store in

the new Flint Block on Sidney's Beacon Ave. on Friday, Nov. 15.

A native of Edmonton, Alta., Mr. Martin was trained for many years as a member of the staff of Birks, there. Later he opened his own jewellery store which was well known to residents of Alberta's capital.

Two years ago Mr. Martin disposed of his Edmonton business and moved with his family to Brentwood. Some time ago he opened a small watch repair shop in Brentwood Bay Store and his success has encouraged him to launch the larger commercial venture in Sidney.

LONG EXPERIENCE

Mr. Martin has had long experience with clocks and watches and his new store will be fully equipped to handle all types of repairs promptly. Efficient repairs service to the settings of diamonds and other jewellery is also assured.

The jeweller is providing a large stock of Lorraine Withnour watches as well as diamonds, stone and silver rings and costume jewellery.

A special two-day official opening of the new jewellery store is planned for November 15 and 16.

HOLIDAY FOR POST OFFICE

Holiday service will be in effect at Sidney post office on Remembrance Day, November 11.

Wickets will be open for four hours, from 8 a.m. to 12 noon.

No money order nor savings bank business will be transacted during the day.

Lock box lobby will be open from 8 a.m. to 6 p.m.

All mail will be received and despatched as usual, and there will be the regular daily rural mail delivery.

## Hat In Ring

COMMISSIONER BILGERI

Commissioner Joseph Bilgeri, long-time Sidney resident and presently a member of the village council, announced to The Review this week that he will contest the election next month for one of the commissioner vacancies. His first term of office expires at the end of this year. Mr. Bilgeri, a retail milk distributor, was first elected to the commission in December, 1955. He is the first aspirant to announce his candidature for one of the two commissioner vacancies which must be filled at the polls next month.

## QUIET EVENING AS

## Record Crowd At Biggest Hallowe'en Party Ever

Hallowe'en in Sidney proved the quietest on record when the Teen Town members presented a giant party at the Beacon Ave. memorial park. More than 500 attended the party to watch the bonfire and to gaze in admiration at the firework display.

Householders who had prepared extensive supplies of treats were left "holding the bag", when the potential tricksters swarmed to the park to take part in the biggest celebration in history here.

The park began to fill around 7 p.m. and the area was packed with youngsters and their parents by eight o'clock, when the display started. Hot dogs and other treats were provided for the children and the highlight of the evening was the draw for a giant Panda offered free as a door prize. The prize was won by Mrs. Victoria Stanton when her husband, Const. W. Stanton drew the ticket and presented her with her award.

## SPONSORS

The entire program was sponsored by the Teen Towners, who contributed their own funds as well as soliciting donations towards the program. The youngsters raised money by holding a tag day in Sidney on the previous Saturday and

Obscene writings were placed in soap on many Sidney store windows and a number of merchants complained of fireworks being discharged through letter slots. No damage resulted.

When a group of youths in Sidney interfered with traffic signs, they admitted their responsibility to the police and spent Saturday afternoon cleaning up the Memorial Park on Beacon Ave to make reparation.

## CLOSED UNTIL DECEMBER

Sidneyway Cafe, on Patricia Bay Highway at Beacon Ave., will be closed for several weeks. It will re-open on December 28.

## Magazine Sales To Be Restricted In Schools

Magazine sales in the schools will not be permitted in future years. On Monday evening trustees of Saanich School District deliberated the question of permitting the Curtis-MacLean magazine sales program in local schools. The matter arose from a request from Royal Oak high school principal J. B. Clark seeking guidance in the question.

Any directive which might have emanated from the board last year was not strong enough, asserted Trustee Reginald Spinkinson. "This board is not in favor," he emphasized.

The ultimate ruling of the board, after extensive deliberation, was that magazine sales or similar promotional schemes will not be permitted in the schools.

The trustees decided to approve the sale this year by students at Royal Oak in view of the fact that the same campaign had already been staged in the other two high schools of the district.

The scheme is one whereby the

## School Needs To Be Evaluated At Once

—Space Still Short

Saanich School District is to evaluate needs of the district immediately with a view to preparing plans for new school buildings and the ultimate presentation of a new building by-law.

The school inspector, B. Thorsteinsson and secretary-treasurer of the board, A. G. Blair, will make a survey of the district's needs and will bring back a report to the board.

It was noted that despite recent building projects there is only one room to spare in the entire school district.

Two schools remain to be constructed under the terms of the last by-law. They are elementary schools at Wains Cross Road and Oldfield Road. Both were contained within the by-law at its presentation, but neither has yet been commenced.

The policy of the provincial government is to sell school bonds through its own resources. Where the money is not used the bonds are not floated. Hence, the ratepayers of the district do not pay for new schools until the project is constructed. Under the old plan the money was raised immediately following approval of the by-law. While the district can carry on

without implementing any one phase of the by-law it is saving money on the bond issue needed to finance the specific project.

The school at Oldfield Road is expected to be constructed next year. No final decision has been reached regarding the school at Wains Cross Road.

With a steadily increasing population in the district, the available schools are still faced with an acute problem in finding accommodation for new pupils.

## TRANSFERRED TO ENGLAND

After serving in Sidney for a year, F. D. Craddock, of the immigration service has been posted to England. Mr. Craddock arrived in Sidney last year to take the place of H. M. Tobin when the latter had been moved to Ottawa. He has been in charge of the unit in Sidney during his service here.

Mr. Craddock has been active here with the Sidney Rotary Club and has taken a keen interest in basketball. He has been engaged as a referee in Victoria. He will leave for London, England, shortly, accompanied by Mrs. Craddock and their two children, Margaret and Dale.

Commissioner T. A. Aiers will be officer in charge of the immigration office here for the time being.

## Small Group Still Without Employment In This Area

Nearly 100 newcomers to Canada have been introduced to this community and settled down into the Canadian daily routine in the Saanich Peninsula. They have been arrivals from many different European countries and the majority have been unable to speak English upon their arrival here. Some are

still residing in the district and are taking their places as responsible members of the community.

Others have gained the familiarity and confidence they needed and have left to find a niche in another community.

Today there are about 10 men left in the district who are yet unsettled. They are pursuing casual labor, but they face a grim winter without a regular source of income.

Readers who may be able to find them brief tasks to fill in during the winter are invited to communicate with them through The Review at Sidney 28.

## Poppy Fund Campaign Launched

Poppy Fund campaign headquarters have been set up in Sidney at the corner of Beacon Ave. and Fifth St., and will remain open until Saturday, Nov. 9.

The office will serve as a co-ordination and distribution centre for the areas into which the district has been divided for conduct of the drive.

Although the fund is administered in this district by the Canadian Legion, benefits are extended to all veterans and their families, without regard to affiliation.

Alan Calvert is in charge of the local headquarters.

A MAN AND A MERMAID

OFFER HIGH STANDARD OF ENTERTAINMENT

Peninsula Players were at the top of their form on Friday and Saturday evening of last week when they presented a light-hearted, fast-moving story of a man and a mermaid with the smooth precision and confidence of a professional company.

Undoubtedly outstanding was the mermaid, Margaret Dixon, who sparkled her way through two hours of coquetry and three men. While the dialogue consistently insisted that she was more than normally cold-blooded, her presentation of the character gave this theory the lie.

Holding the stage almost throughout the play was Joan Henriksen, who had but recently left her sickbed to avoid jeopardizing the play due to her affliction with the Asiatic flu. Despite her problems, she held the role and never fumbled, once, Hers was probably the most difficult role in that she was the continuity in the play and left the stage for only the shortest of periods.

**SPARKLING**  
Sparkling with a more down-to-earth humor was Dorothy Rayburn as Isobel Lambert, milliner and worldly fiancee of the persistent artist, Nigel Hood. Playing the latter, Herb Drew was easy and accomplished.

The author of the problem was Sir Paul Martin who appeared in the person of Ken Smith. Suave and competent, there were times, however, when he failed to hold the role of a successful doctor in Harley St. The script indicated a greater than normal consciousness of his own title and this feature appeared to be too thoroughly translated.

Supporting the play were David Smart, as Charles, the houseman-chaffeur and Betty, the maid. David Smart and Allison Smith gave a pleasing interpretation of these two roles, while Eva Byford as the competent nurse was very much as the consciously-proficient nurse might appear in London.

**NEW STAGE**  
The setting was restricted by the stage and by the problems facing the players in using this hall for the first time. The acoustics are excellent and indicate that the Sidney elementary school has a more valuable assembly hall than has the North Saanich high school. The basic shortcoming of the room is the fact that access to the stage is from outside. The strange construction of a stage which cannot be reached from indoors seems to have been perfectly acceptable to the designers, but in practice it

# CENTRAL SAANICH

## DANCING AT NORTH SAANICH IS GAINING SUPPORT FOR CLASSES

By HUD GRAHAM

Square dance jamborees are held under the direction of the Western Square Dance Association. The association is made up of delegates representing the square dance clubs on Vancouver Island. At a meeting of these delegates, it may be decided that a jamboree should be held, an outstanding caller is booked and a large hall is rented.

Most clubs meet regularly, for example, on the second and fourth Saturdays, or the first and third Fridays, so jamborees are planned, if possible, on a month end with a fifth Saturday. About four or five jamborees a year are held. The chores or jobs are split up among the clubs. One club will do the hall decorating, another supply the pop, another supply the ticket takers at the door.

If you are not a square dancer you are missing a lot. Should you doubt this, I suggest that the next time there is a jamboree, you attend as a spectator.

You will see well over 200 couples dancing a "mixer" or partner changing dance, all thoroughly enjoying the meeting and dancing with people many of whom they have never met before. The dancers will range in age from teenagers to grandparents, the predominating group being young married couples.

A square dance beginners' class is being conducted in the North Saanich high school each Wednesday from 8 to 10 p.m. If room will permit, registration will be accepted during October.

No previous dancing experience is necessary. The footwork is based on the assumption that the beginners can only walk. They walk in. This is not a sit-down class. You learn by doing. The class starts with simple "Fun Type" dances which are first walked through then danced to slowed-down music.

After two or three evenings of basics the class is closed and the dancers move on to more complex and interesting square dances, including partner changes.

This class is supported by Sidney Community Club. The dancers from the class will form the nucleus of a square dance club that will enjoy dancing in and make a substantial financial contribution to the beautiful new community hall.

## BRENTWOOD

Capt. A. Torrible, Clark Road, celebrated his 89th birthday last Monday. During the day he received congratulations from his many friends who hold him in very high esteem. In spite of his 89 years the Captain is still very active and looks hale and hearty.

On Saturday, Nov. 9, the annual bazaar and tea will be held by the W.A. of the United Church at the church hall, West Saanich Road. There will be various stalls including gifts and home cooking. The bazaar will be opened at 2 o'clock. All are welcome.

### Cash and Carry From Middle East

By MURIEL D. WILSON

How can one describe the glowing bonfire colors of autumn with the black and white of words? Each season has its beauty... the white wonderland of winter, the soft green and gold of spring, summer's multicolor glory, but autumn out-colours them all.

Nature's Fall Spectacular is a fine show... its vibrant, stimulating colors surpassing the best man-directed extra vaudeville ever staged. Recently we drove "up-Island" over the now almost completed Malahat Highway. What joy that black ribbon of blacktop after interminable months of ruts,

Mrs. Wilson

bumps and detours. Little Eva, the wee car, skinned up hill and down dale with the greatest of ease.

We travelled with almost big car comfort due to the lovely smooth road. With the completion of the road Mr. Gagliardi's stock should rise considerably and his publicized sins could well be forgotten and forgiven, at least by Malahat travellers.

**SUPER MARKETS**  
They say that the cash-and-carry idea of marketing had its origin in the roadside bazaars of the Orient and the Middle East. There may be some truth in the statement but the old Eastern wayside markets are surely a far cry from our super markets of today. These pay-cash, shop-for-everything-under-one-roof stores, called super-markets, are springing up like toadstools in our midst and each one seems to be more super than the last.

The latest, and to my mind the most sensational, has recently been opened in Vancouver. Here you shop to the strains of soft music and the fragrance of freshly-baking bread.

Said to be the largest of its kind in Canada, the store stocks everything from salami to screwdrivers, and radishes to records. I suppose its greatest innovation is its built-in bakery... right under your nose, where you can smell it baking, 10,000 loaves (22 varieties) of bread come out of the ovens each day. Bakery products of every kind can be purchased fresh each hour. Ice cream is also made daily right in the store.

The meat department has a personalized service as well as a pre-packaged, serve-yourself display. A butcher will cut to suit the shopper who wants his bacon sliced thin and his steak cut thick. He will cut a roast to give you greater variety... you buy a porterhouse roast and the butcher separates the filets, grinds the fat into minced beef and rolls the balance for roasting.

**FOR ALL THE FAMILY**  
The sundry department offers the housewife-in-a-hurry the chance to buy socks for the baby, a magazine for dad, and nylons and lipstick for herself in the shortest possible time. The housewife-not-in-a-hurry can get a cup of coffee or a meal in the smart coffee shop.

It is shopping for all the family... dad can buy himself a new screwdriver, while the teenagers decide on a new record while mama collects the groceries.

Specialty foods of a variety and assortment never before seen in this part of Canada, dietetic and health foods, fruit and vegetables groomed as for a fair, baby food, dog and cat food as well as the hundred and one everyday grocery items we find in our own super markets. Color abounds... the walls are muralled with bright, larger-than-life, plastic replicas of fruit, vegetables, meat, cake, etc. The replicas serve the purpose of directional signs. The busy shopper can see where the various departments are located, the moment she enters the store.

Adjectives fail to describe its vastness... a "Mike Todd of a store" with everything on the grand scale and in the grand manner. It is not just a rumor that eight more of these colossal markets are to be built in Vancouver, and three on Vancouver Island. What enters we believe.

But all that interest in food was way back last week. Right now I couldn't care less... here I am aspirated, lemonaded, hot-water bottled and magazined... I am relieved of the responsibility of getting meals, cleaning the house, doing the washing and planting the bulbs... weren't for this darn flu which makes me feel at least a hundred and seven.

## SAANICHTON

J. M. Stewart has his daughter, Mrs. F. W. Stone, from Secret Cove, near Gibson Landing, visiting him at his East Road home.

Mrs. L. Farrel has returned home from Rest Haven hospital to recuperate after an accident three weeks ago on their property.

Saanichton P.T.A. will hold their monthly meeting on November 27 at the school. All the parents are welcome. There will be an interesting program.

Saanichton Women's Missionary group will hold their first meeting on November 14 at 2:30 p.m. at the home of Mrs. Peter Rasmussen, on East Road.

## New Baptist Group At Hallowe'en Party

The newly-formed Pioneer Girls' Fortalice at the Bethel Baptist church, Sidney, had a snappy Hallowe'en program on Friday, Nov. 1. "Pioneer Girls" program is Bible based and Christ centred for girls from 8 to 18 years.

The meeting opened with the usual Pioneer Girl formation and column councils, with the pilots reporting to pilgrim guide, Mrs. H. Nunn, on the activity of their own columns.

The highlight was a spirited snowball fight, which ended in a tie between the teams.

This was followed by a songfest, and a short message on Bible exploration by colonist guide, Mrs. W. P. Morton.

Refreshments served carried out the Hallowe'en motif, with sandwiches and cakes in the pumpkin shape and color.

Friday, Nov. 8, at 7 p.m., is an open meeting, the Pioneer Girls inviting their mothers and the ladies of the church to be present to witness the pledges and installation of members.

## REMEMBRANCE DAY

It was cold in Belgium, but the weather was the least of problems facing the people of Mons 39 years ago. The air was filled with rejoicing, for a long and arduous war had reached its close. The proud and belligerent German army had been defeated and the people of Mons were facing the future with a gladness only possible after four years of strife.

It was cold in Belgium, but the attention of the people of Mons was on the "Royal Canadians" who had arrived to liberate the town from the yoke of occupation. When the first local publication appeared, a week later, the name of Lieut. W. M. King was listed as being the first officer to sign the Golden Book in the town hall. At 3 a.m. on November 11, 1918, Lieut. King placed his name on the book of honor in that besieged town. He was not signing for himself. He was signing for the army of Canadians then pushing northwards. He was signing for his compatriots at home. He was signing for all Canadians, then and now.

Lieut. King has lost his identity in the passage of time. His name remains because it was printed so soon after liberation. The act of signing has not been forgotten and will remain with us for many decades to come, if not for ever.

"The armistice is signed: the German army has capitulated: the brutal force is annihilated: the justice and the high triumph." In these terms is the situation summed up, six days after armistice, in the columns of "La Liberté". They have not been forgotten. Neither they nor their comrades who never returned. On Monday we shall remember them. And we shall remember their sons who died two decades later. We shall wear a poppy to signify their sacrifice and we shall wear it proudly.

## YOUTH TAKES A STAND

EMPHASIS was on youth on Thursday evening and youth came out with honors. In Sidney district the Teen Towners staged a gathering in the Memorial Park of unprecedented proportions. They entertained the youngsters royally and merit the highest commendation for their efforts.

Elsewhere reports echo the same tones. The standard of behaviour throughout the evening was beyond reproach. Sanity and Hallowe'en were brought together by the youth of the district and it made a pleasing combination.

## A FINE EFFORT

DURING past years there has been one community in this district to gain a distinction in the drive for Red Cross funds. That is Galiano and largely responsible for the success on the island has been Mrs. D. A. New.

The past week saw Sidney and North Saanich emulating the good example offered by the islanders when the district was the first within the Greater Victoria district to pass its target in the Greater Victoria Community Chest Campaign.

The target was vastly above the previous year's collection total, but the figure of \$2,500 has already been surpassed.

It is a creditable record both for the community and for the campaign manager, J. Harold Wilson, who has made his debut with this impressive achievement.

## DECEMBER ELECTIONS LOOM

FEDERAL and provincial arenas have occupied the political spotlight in recent months. A complete change in the government at Ottawa and lively developments of the Sommers-Sturdy case provincially have held the interest of the electorate. But announcements made in this newspaper last week have brought to the attention of residents the fact that municipal elections in Central Saanich and Sidney are scheduled for next month. More-over school trustees must be elected. It's high time that some serious thought was being given to the fielding of suitable candidates in all these varied municipal and educational fields.

Now the past year has been a remarkably quiet one in municipal circles on the Peninsula. Councils of Central Saanich and Sidney have gone ahead with their respective tasks with a minimum of fanfare and publicity. It's only when some controversial problems are faced that feelings run high and the ire of the electorate is raised. The past year has been a most orderly one featured by smooth municipal sailing. Nevertheless there must be some issues at stake and it is to be hoped that new candidates will come forward to outline their views and seek the endorsement of the electorate.

Three vacancies must be filled in the Sidney village election while four seats await occupants in Central Saanich. We hope there will be plenty of aspirants for these council posts in order that the electorate may enjoy their democratic privilege of selecting the candidates of their choice.

## Island Legionnaires

By W.W.H.S.  
The regular monthly meeting of Gulf Islands branch No. 84 of the Canadian Legion was held at Mayne Island on Wednesday, Oct. 30. Attendance was rather small, as, owing to rough water in Navy Channel, Saturna commander was unable to make the trip. Comrade D. A. New was in the chair.

Unless weather causes a cancellation at the last minute, it was decided to hold the annual Armistice church parade at St. Mary Magdalene's church, Mayne Island, on Armistice Day, November 11. Parade will be at 10:30 hours outside the church, with the service commencing at 10:40 hours. Decorations and medals will be worn. It is hoped that as many veterans as possible will attend this parade, to remember all their comrades who were killed in action, died of wounds, and those who have subsequently passed on. We shall also be very pleased to see as many of the general public as can attend at this service. Refreshments will be served to veterans after the parade.

## Reflections From the Past

10 YEARS AGO

Commander P. B. Leigh was elected president of the North Saanich War Memorial Park Society. Retiring president Dave Holden announced that \$960 had been set aside in the community hall fund, and that Sidney Boys' Club had raised another \$50 for the project.

October rainfall of 5.81 inches was the greatest since records had been kept. Heaviest fall in 24 hours was 1.24 inches on the 18th.

Public meeting was held to protest the manner in which the beer peddlers had been held. Shuldigger on the part of the frys was charged by S. D. Walker, and he was authorized to try to obtain another poll.

Don Smith told the Rotary meeting of his trip to Saskatchewan. Miss Jane Leigh reported the Hallowe'en theft of the nameplate "Westleigh" from the gate of her home on Beacon Ave.

Mrs. V. Timmuth was elected president of the Mayne Island P.T.A. Other officers were Mrs. W. Haglund, Mrs. D. Viggurs, Mrs. De Rousie, Mrs. L. Garriok, Miss M. Norton and Mrs. F. J. Bennett.

Mr. and Mrs. R. Woodbridge caught more than 300 pounds of salmon in two weeks at Cowichan Bay.

Mr. and Mrs. E. Sapsford took up residence at the Sidney Waterworks house on East Saanich Road.

20 YEARS AGO

Under the sponsorship of Mrs. Reddyhoff, Mrs. Sonnes and Mrs. Scott, a successful "School Play Fund" concert was held in Hope Bay Hall, Pender Island.

Hallowe'en whist drive was held by the North Saanich Service Club. Prizes were won by Mrs. A. Sansbury, Miss Gladys Butler, W. McIlroy and Reg. Bewick.

Seventeenth annual ball of Mount Newton Lodge No. 29, A.P. & A.M., was held in Brentwood Community Hall. Guests numbered 450.

Miss Diana Fraser was elected captain of the ladies' section, Ardmore Golf Club. Miss Carmen McDowall was named vice-captain; Mrs. G. C. Johnson, secretary-treasurer, and Mrs. P. Baker and Mrs. Taylor committee members.

Mrs. Charlesworth, president of the Ganges Women's Institute, reported that the sum of \$82.50 had been raised by a recent children's entertainment, and that the money would be sent to help the suffering in the drought-stricken areas of the prairie provinces.

30 YEARS AGO

Hird & Son, of Tumbo Island, and Miller Higgs, Galiano, took prizes at the fox show in Victoria. North Saanich Liberal Association pressed for improved facilities at the Beacon Ave. wharf.

Lot's wife had nothing on Mrs. Dave Kirk. The former looked back and turned into a pillar of salt. Mrs. Kirk looked back and turned into a telephone pole.

Traffic on the Puget Sound Navigation Company's ferries out of Sidney increased by 25 per cent over 1936. 138 cars entered the port and 143 left.

Hopes for the establishment of Cinema City, a \$10,000,000 movie project, in North Saanich, were dashed.

Day were distributed to each island at the meeting, and each island will make its own arrangements for the sale of poppies, which will be advertised locally. This is the sole appeal the Legion makes to the general public and, as the call on the Poppy Day fund increases with the aging of our members, we ask all to support this effort to the maximum. Think of the motto associated with Armistice Day—"Let Us Forget". To many, Mons and Dunkirk are not even memories; Ypres, Givenchy, Hell Fire Corner, Lancashire Landing, Kut-el-Amara, Dieppe, Ortona, Caen, Hong Kong are merely places on maps; but Canadian blood was shed at nearly all these places in order that the world may be a better place to live in. Pray for those who gave their lives; remember those who returned, perhaps maimed and helpless, and give generously to our one appeal to help those who helped you in time of war.

After the meeting, the president thanked members of the ladies' auxiliary for their kindness in providing tea for the branch.

blasted when it was announced that the promoters had purchased 943 acres in the Highlands district.

## HE'S STILL SATISFIED WITH SASK.

W. D. Locke, of Riverhurst, Sask., is enjoying his first visit to Vancouver Island. He is the guest of his son, Doug Locke, East Saanich Road.

Locke the elder is an enthusiastic supporter of the C.C.P. government; of Premier T. C. Douglas in Saskatchewan. In his eyes it can do no wrong. He is comparing not only the farming methods of Saskatchewan with those on Vancouver Island but their politics as well. So far he's well satisfied with Saskatchewan—both agriculturally and politically.

## LIGHT SEEN HERE TEN DAYS AGO

Mysterious bright light reported in various parts of the United States this week, was observed in Sidney 10 days ago by Commissioner J. Bilgeri and reported to The Review at that time.

The Sidney man stated that Mrs. Bilgeri had first noticed the mysterious object from her window about 3:50 p.m. It appeared to be high over the airport. She called her husband and the two watched it for several seconds. It had a long, brilliant tail.

The object rose slowly into the air and disappeared westward, said Mr. Bilgeri.

## SHOWER FOR FORMER SIDNEY GIRL AT OAKLAND AVE. HOME

On Saturday evening, Mrs. A. Riches, Fifth St., and Mrs. G. W. Morrey were co-hostesses at a miscellaneous shower given at the home of the latter on Oakland Ave., in honor of Mrs. R. Depoy (nee Rowena McCormick). On arrival both the bride and her mother were presented with corsages.

The gaily wrapped gifts were placed in a container representing a long flower box tied with a large bow, and the room in which the box was opened, was decorated with beautiful pink and white chrysanthemums. During the evening, games were played and prize winners were Mrs. J. Easton, Miss E. Laycock, Dorothy Wood and Lynda Mills. At the close of the evening, refreshments were served.

Invited guests were Mrs. S. Rashleigh and Mrs. P. Rashleigh, Miss Betty Rashleigh, Mrs. L. Swan, Mrs. W. Butcher, Mrs. May, Miss E. Stevenson, Mrs. E. Grace, Miss E. Laycock, Mrs. G. Hill, Mrs. L. Shepp, Mrs. Iverson, Mrs. J. Easton, Mrs. D. Craig, Miss A. Craig, Mrs. Wood, Sr., Miss Dor-

## NEW FURNACE IS SOUGHT

Tenders are to be called by Saanich School District for the provision of a new furnace for Mount Newton high school.

The decision follows a report from the fire marshal's office that the present installation is "unsatisfactory and hazardous". It was stated that the fire-brick is showing signs of overheating and that Fire Chief Vic Heal, of Central Saanich, has reported that the furnace has already occasioned a minor fire in the school.

The board will invite tenders for the provision of a new furnace and at the same time tenders will be invited to bid on the installation of an automatic stoker. It was felt that irregular stoking of the furnace was occasioning some of the trouble. Burning solid fuel, it is stoked high by first thing in the morning and the unit immediately overheats, it was suggested.

## Satisfaction

Saanich School District was advised on Monday evening by D. E. Breckenridge, principal of North Saanich high school, that the appointment of Mrs. M. Dear as secretary to the principal was entirely satisfactory and Mr. Breckenridge recommended the confirmation of the appointment on a permanent basis.

John Craddock, of Downey Road, has left by plane for England, where he will visit relatives and places of interest.

## GROUNDS WORK AT ROYAL OAK

Final decision on the cleaning up of the grounds at Royal Oak high school was not reached by trustees of Saanich School District on Monday evening. The board received a letter from the department of education approving sharing of the costs of laying out one acre and a half of playing fields. The remaining acre and a half would be the responsibility of the board without assistance from the department.

The question was referred back to the buildings and grounds committee with authority to proceed providing that the project could be carried out at a cost of less than \$8,000.

## Power Failure

The gremlins that add spice to the life of Max Munroe, of Ganges, B.C. Power Commission representative, were abroad on Pender Island Thursday evening, and burnt out a fuse, plunging half of the island into darkness from 6:45 p.m., until 9:30 p.m., when a crew arrived from Ganges and located the trouble. Meanwhile kerosene lamps, and even candles, were dug out of cupboards and dusted off for a turn at pinching for Hallowe'en.

## WILL OCCUPY NEW HOME

The Review reported last week, in error, that Col. and Mrs. Douglas Mitchell, formerly of Ottawa, had acquired the home of Mr. and Mrs. Randle Matthews at Swartz Bay. Col. and Mrs. Mitchell have purchased the former Matthews' home on All Bay Road and will occupy it shortly after extensive renovations are completed.

"And if Christ be not risen..."  
1 Cor. 15:14.

Remembrance Day is with us again. A day when many hearts are sad with memories of loved ones gone that this world might live again in peace. We remember them and on this day say "thanks" to those who have borne the price of our peace.

But let us not hastily pass on. They, for us, have gained a temporal peace. It is now our responsibility in this age to help keep this temporal peace by actively participating in enterprises which better our communities, promoting peace first of all at home. This peace is temporal. There is a peace which is eternal and this lasting peace can be yours. It too came at the price of death—the death of Christ. But Christ has risen from the dead to reign eternal in the heavens and He, who now lives, offers by faith in Himself this lasting peace. Will you not now accept this lasting peace from Him and come to His house Sunday and so too remember Him?

## AT EATON'S

Imagine you playing carols on Christmas morning!

Now Hammond lesson program guarantees  
**YOU'LL PLAY BY CHRISTMAS**

Hammond's new PLAY-BY-CHRISTMAS plan concentrates on playing. After only a couple of lessons, you can play real tunes, instead of scales and exercises. By Christmas you'll be good enough to amaze your family.

You don't have to buy a Hammond Organ. Learn and practice on our Hammonds. You pay only \$17.50 for the lessons. If you do buy a Hammond before Christmas, that amount is applied to its purchase.

Send the coupon first thing. Or drop in at our studio and ask about the new PLAY-BY-CHRISTMAS plan and get a new Hammond LP record. No obligation.

**New Play-by-Christmas Plan Includes:**  
12 complete lessons  
All music and accessories  
Regular free practice sessions  
All for **\$17.50**  
(No registration fee)

## Meditation

How is it that ye sought me?  
Wist ye not that I must be about my Father's business?

Other fell on good ground and sprang up and bore fruit an hundredfold. . . . He that hath ears to hear, let him hear.

JOHNNY COMES BACK

TO ENJOY HIS DIET OF APPLES

By B.C.H.

For the third year in a row, Johnny the Seagull has returned for his apple-a-day, only he was three weeks late. He came on October 24 instead of the first. And he followed the same routine—flew round three times and landed this time on top of Spike Alexander's car which was on the back path. Johnny took a quick look around and then swooped for an apple—only instead of a bright red one, he modestly helped himself to a small yellow one. Maybe he remembered the fuss his gull friend made last season. It's hard to think that a whole year has gone by since he was here.

It will be interesting to see how many years he keeps it up. And this Monday morning, as I am writing this, Johnny appeared with his gull friend and a younger grey gull, who seemed to be a rival, for Johnny promptly chased him away and took his gull friend off without an apple. Evidently he doesn't intend to let any of his friends share in the apple diet, for he came back alone to get his loot later on. Johnny is just as big and white as ever and his favorite perch is still the top of the garden shed.

THE GULF ISLANDS

FULFORD

Mr. and Mrs. Gavin Jack visited Salt Spring last week-end. They returned to Victoria Sunday afternoon.

Mr. and Mrs. R. Burns and their daughter, Margaret Arthur, of Victoria, and Mr. and Mrs. Ted Fuller, Victoria, were guests of the Hamilton family at Dromore on Sunday. Mr. and Mrs. Fuller are well known as they used to have a home on Mount Tuam, next to Mount Bruce, on the Musgrave mountain road. Mr. Fuller has been employed for some years at the T. Eaton Co. in Victoria. His daughter, Mrs. Pat Haines, of Ramsay Arm, was the first baby passenger on board the M.V. Cy Peck on the inauguration run, some 26 years ago.

Earle Kaye was rushed to the Lady Minto hospital on Sunday, suffering from a sudden attack of appendicitis. He will be a patient for a few days.

Mr. and Mrs. T. Daffurn are spending a week or two in Haney, B.C., where they will visit relations and friends.

Card party at the Beaver Point Hall was held with the usual success on Saturday night. There were seven tables in play and Miss Gladys Shaw won the lady's first prize and Will Shaw won the men's prize. Miss Nan Ruckle was the winner of the consolation prize. After the games were over, a very nice supper was served by Mrs. L. King, Mrs. W. Y. Stewart, Mrs. W. Loxton, Mrs. Tom Butt and Mrs. G. Ruckle.

Alterations have been made to the foundations of the Beaver Point Community hall and are nearly completed. F. Grant is in charge, assisted by the men in the district.

Mr. and Mrs. B. Browne, of Victoria, and Bruce Browne, were guests of Mr. and Mrs. H. Ruckle for the week-end.

Mr. and Mrs. R. Lawson left Salt Spring on Sunday and have taken up residence in Duncan, V.I.

The little red cockerel that hooked a ride in the Daffurn car a few weeks ago in the Saanich district, is called the Lone Ranger. However, since acquiring this name, the girls in the hen yard have made up to him and he is literally and definitely the cock of the walk. Mr. and Mrs. A. Smith say he is growing into a fine bird, and is a great pet.

TO CONSECRATE  
LEGION COLORS

Annual Remembrance Day services held at the Ganges cenotaph, will be preceded this year by the consecration of colors of the Salt Spring Island, Branch 92, Canadian Legion. The ceremony will be held in the Legion Hall grounds, Ganges, at 10.30 a.m., November 11, with Archdeacon G. H. Holmes and Rev. C. G. MacKenzie officiating clergy-men. An invitation to attend is being sent to all Salt Spring Island residents.

Following the ceremony the parade will move off with the newly-dedicated flags, the Queen's color and the Legion standard, for the cenotaph where Remembrance Day service will be solemnized. George Heinekey has been appointed general parade marshal, and veterans will be led by W. F. Thorburn, D.F.C., president of Salt Spring Island, Branch 92, Canadian Legion.

Ladies' Auxiliary will be in attendance and will see their own flag dedicated at the same ceremony.

The annual veterans' dinner will be held on the night of November 11, in Mahon Hall, Ganges. Veterans from the other Gulf Islands have been invited, and A. G. B. Lewis, Duncan, commander of the Cowichan-Gulf Island zone will be guest.

The following past-presidents of Salt Spring Island, Branch 92, Canadian Legion, will be honored: A. R. Layard, D. G. Crofton, C. F. Mout, G. Heinekey, and D. Baldwin (in absentia).

hospital in Victoria last week after spending a few days at her home on the Isabella Point Road.

Mrs. J. Lautman, of Green Acres, returned home after spending a few days at Friday Harbour.

Mr. and Mrs. Kaye, of Ladysmith, were guests of Mr. and Mrs. C. Kaye, Fulford-Ganges Road, for the week-end.

An Armistice dance is being planned for Friday, November 8, in the Fulford Hall. Vince Butler's orchestra from Victoria will be in attendance and a good time is anticipated by the hall committee sponsoring it.

Mrs. W. Maley (nee Shirley Wilson), and two children, who have been spending several months with her mother, Mrs. N. Wilson, Well-bury Point, after returning from Australia, went to Vancouver for a brief visit to meet her husband, Walter Maley. Mr. Maley arrived there from Australia, and they have returned to Salt Spring Island. Mrs. Maley visited Mrs. W. G. Stone while in Vancouver, and Mrs. Stone accompanied them to Ganges where she spent a week visiting her mother, Mrs. J. C. Kingsbury. Mr. and Mrs. M. Gardner and Mr. and Mrs. B. E. Hardie are on a motoring trip to the States. One of the points being visited is Salt Lake City.

The small son and daughter of Lieut. and Mrs. A. L. Gale, Victoria, were principals at a double christening in St. George's church, Ganges, Sunday afternoon, Oct. 27, with Archdeacon G. H. Holmes officiating. The former received the names: Reginald Derek Leake, and god-parents are Miss Nona Shove, Ganges, Reginald L. Gale, Calgary, and Capt. A. M. Potts, Kingston, Ont. His sister was christened Deirdre Sylvia, with god-parents, Miss Wendy Morris, Ganges, Mrs. Charles Nelles, Victoria and Thomas L. Gale, Vancouver. Following the ceremony a family reception was held in Harbor House, where the table was highlighted by the christening cake, flanked by arrangements of pink roses.

Guests registered at St. Mary Lake Resort included: Mr. and Mrs. Phelps, Vancouver; Mr. and Mrs. A. E. Cork, Kamloops; Mr. and Mrs. J. Morney, Victoria; Mr. and Mrs. S. Robinson, Vancouver; Mr. and Mrs. D. Dixie, Victoria; Mr. and Mrs. G. Brooks, Victoria; Mr. and Mrs. A. J. Pullinger and family, North Vancouver, and Mr. and Mrs. Gellinas have taken up residence in the winter lodge.

Mr. and Mrs. A. E. Moret have left Salt Spring Island to visit their son and daughter-in-law, Mr. and Mrs. Dennis Moret, in San Francisco, until spring.

Constable Donnor stated that on the whole, Halloween was generally quiet on Salt Spring, and that he was generally pleased with the youth of the community. He gave a great deal of credit to civilian help he received during the evening.

The Salt Spring Island Chrysanthemum Association met in the Legion Hall, Ganges, on November 2, and heard Mr. Levey, of Victoria, speak on the winter care of chrysanthemums. Slides were much enjoyed, and the annual meeting which should have taken place was postponed until a later date.

Mrs. Lee Dolman, and small son, Mark, with her parents, Mr. and Mrs. Hugh Inkster, have left Salt Spring to take up residence in Chemainus. Mrs. Dolman has been employed in the Salt Spring Lands office and has now taken a position with the new Georgia Power generating station near Chemainus. Mrs. B. Bellamy, recent bride of Byron Bellamy of the bank staff, has accepted a job in the lands office.

National Film Board presentations will be offered at Mahon Hall on Tuesday evening Nov. 12. A varied

## Hallowe'en Bonfire At Galiano School Proves Enjoyable

A very successful bonfire party was held at Galiano school on Hallowe'en. The fire was lit by Harry Atkinson and Eddie Bambrick. After the firework, the children toasted wieners and enjoyed them along with buns and Freshie.

Those helping to make the party a success were: Mrs. E. Lorenz, Mrs. L. T. Bellhouse, Mrs. E. J. Bambrick, Mrs. R. Hepburn.

## MAYNE

A Hallowe'en party, sponsored by the Mayne Island P.T.A., was well attended by a large crowd both old and young. The hall was appropriately decorated for the occasion, and under the leadership of Mr. Tymo a lively program of games and contests was enjoyed by everyone. Refreshments were served and there were gifts of candies and fruit for the children.

## New hope for prevention of Heart Disease

In spite of accurate diagnosis, advanced medical science and surgery, heart disease is still the greatest killer today. What causes it? Can it be prevented? The National Heart Foundation of Canada, recently formed, will intensify the search for the answers to these questions. The Life Insurance Companies in Canada are supporting this Foundation because it is so important to the future health of Canadians. They have made substantial grants to cover the cost of launching the organization.

The Foundation will encourage intensive research into the causes of heart disease by every possible means. It will seek to stimulate professional and lay education and help family doctors to keep abreast of the newest developments in diagnosis and treatment.

Support of the National Heart Foundation is just one of many ways in which the life insurance companies in Canada are helping to create a healthier, happier life for Canadians.

Three new members welcomed were Mrs. R. Bidwell, Mrs. MacNulty and Mrs. Travena. Mrs. Melish presented the treasurer's report, showing a balance of \$98.72.

Arrangements were made to have the United Church, Ganges, thoroughly cleaned during November. Members were asked to handle the afternoon tea at the forthcoming fall sale sponsored by the United Church Women's Association, November 7. The following committee will be in charge of arrangements: Mrs. I. Bradley, Miss Mickleborough, Mrs. M. Smith, Mrs. Melish and Mrs. J. G. Reid. Mrs. Wagg will also sell the Regal line of cards and novelties.

It was decided to accept the catering for the Rod and Gun Club dance on November 22. Mrs. S. Rogers, Mrs. R. Salveson and Mrs. M. Till offered to help on this project.

Hostesses for the evening were Miss Mickleborough and Mrs. Melish. Next meeting will be held on Wednesday, November 27, at the home of Mrs. C. Francis.

## MORE ABOUT TWO DEATHS

(Continued from Page One)

Mr. Page leaves his wife and two children at Gabriola, where his brother, Leslie, is also residing. His brother, Ronald, is in Nanaimo. Kenneth in Vernon and a sister Mrs. T. Griffin at Nanaimo.

Mr. Denroche was a pilot with

the R.C.A.F. during the Second World War. He had been flying since his return from the air force and had gained recognition for a number of rescue missions during latter years in the province.

He made his home in Vancouver, at 4784 Marguerite, where his wife and four children reside. Mrs. Denroche is the daughter of Mr. and Mrs. B. P. Russell, of Galiano, who are on their way home from a long holiday.

- Scald 1½ cups milk  
Stir in ½ cup granulated sugar  
3 teaspoons salt  
½ cup butter or margarine  
Cool to lukewarm.
- Meantime, measure into large bowl ½ cup lukewarm water  
Stir in 2 teaspoons granulated sugar  
Sprinkle with contents of 2 envelopes Fleischmann's Active Dry Yeast  
Let stand 10 minutes, THEN stir well. Stir in lukewarm milk mixture and
- 3 cups once-sifted, all-purpose flour and sprinkle with 2 teaspoons celery seeds  
Beat until smooth and elastic.

Work in additional 2½ cups (about) once-sifted all-purpose flour  
3. Turn out on floured board and knead until smooth and elastic. Divide dough into 2 equal portions. Shape each portion into a 15-inch roll and cut into 15 equal-sized pieces. Shape each piece into a smooth ball.  
Place balls in greased muffin pans. Brush tops with melted shortening. Cover. Let rise in a warm place, free from draft, until doubled in bulk—about 1 hour. Brush risen buns with soft butter or margarine and sprinkle with celery seeds. Bake in a moderately hot oven, 375°, 15 to 20 minutes.  
Yield—2½ dozen buns.

## EXPERIMENTAL FARM NOTES

### WEEKLY REPORT OF NORTH SAANICH STATION PRUNING DWARF TREES

The cordons are the most striking of the highly-trained types. These are essentially a single leader or trunk well-fitted with fruit spurs. They are planted about two to three feet apart. To get maximum area on a tree and to promote fruitfulness they are often bent at a 20 to 40 degree angle along the wire trellis which supports them. The cordons should not be tied to the wires too tightly but rather tied to a light stake and the stake tied to the wires.

Summer pruning is essential to keep cordons dwarf. The central leader is not pruned until maximum height is achieved. The side shoots are pruned in July to about five to seven inches and these shoots shortened again to only two to three buds in the winter. More than one summer pruning per season may be required to keep the growth in check. After several years spurs will be established and wood shoots are then cut back in the winter to a flower bud leaving two or three buds. If the cordons are too vigorous all pruning should be done during the growing season. At Saanichon the few cordons under test yield about 10 pounds of fruit

people compete  
in the oil business

Did you know there are more than 10,000 people engaged in the search for oil in Canada? We know it, because we run into plenty of them each time we try to lease promising oil lands.

Did you know there are hundreds of skilled chemists and engineers in Canada's 42 refineries? We know it, because our own technical people have to work hard to stay ahead of the others in producing better products at lower cost.

Did you know Canada's oil companies employ thousands of salesmen to market their products? We know it, because every day our own sales people are competing with salesmen from other companies.

Canada's hundreds of oil companies wage vigorous competition. The result is increased efficiency, and benefits to the consumer.

each and they also make a very attractive display.

Various espalier systems are satisfactory for home and possibly commercial use. The most common is a Kniffen system similar to that used for grapes. The whip is planted beside a wire fence and cut just above the first wire. Each year the leader is cut just above a horizontal wire and the best two side branches of each tier tied to the wires. The wires are usually one to two feet apart and from two to seven wires can be used effectively. It is quicker to plant a two-year-old or older tree rather than a whip and select the best branches most in line with the wires.

These branches are cut back severely and all other branches removed.

An excellent tree is developed if training is done in yearly steps as the top is always more vigorous than the flat lower branches and this method allows the lower branches to become well established before being overshadowed by the top. The woody growth is allowed to extend along the wires as much as desired each year but for best results the eight-bud rule should be followed. Side branches on the arms trained along the wire should be summer pruned, several times if necessary, to keep them as short stubs which eventually, with summer pruning, will make spur systems.

Weed control in lawn grasses is a matter of concern to a great many

### MR. AND MRS. G. C. JOHNSTON ARE HONORED BY SIDNEY ROTARIANS

Sidney Rotarians entertained their wives and guests to dinner at the Hotel Sidney on Wednesday, Oct. 30. After dinner a presentation was made to Rotarian G. C. Johnston, and Mrs. Johnston. President E. Slegg, with appropriate remarks, presented a bouquet of roses to Mrs. Johnston. To both Mr. and Mrs. Johnston the Rotarians made a gift of an electric fry pan.

President Eric, on behalf of the club, stated that they were sorry to see them go, for it was well known

householders and others in this part of the country noted for its fine lawns. The widespread use of 2, 4-D has done much to eliminate weeds from lawns, but some of the serious weeds have proved rather resistant to this chemical. One such weed, mouse-ear chickweed. This weed produces small grey-green, hairy leaves on a prostrate, spreading plant. It has proved more difficult to eliminate than common chickweed, which is frequently seen in gardens at this time of year.

A new chemical called Neburon has been tried out at the Experimental Farm this season, and appears to hold considerable promise for controlling this weed. It is formulated as a powder and mixes quite readily with water.

In two different experiments on a Chewings fescue lawn it has been sprayed over the grass at rates ranging from half to eight pounds of active ingredient per acre. In the first experiment treatments were made in early August and within a week the effects on the chickweed were pronounced, and in one month from the time of application a complete kill on chickweed was observed at rates of two pounds per acre and up. Damage to the fescue lawn grass was severe at four pounds and over, but only slight at the two-pound rate.

In the second experiment which was applied in September, lower rates were used with a top rate of two pounds per acre. In this experiment control of chickweed was satisfactory at one to two pounds per acre and no effect on grass was noted possibly due to the cooler weather. While these are only preliminary results with an experimental herbicide, good results have also been obtained experimentally in controlling mouse-ear chickweed on the prairies, and chances for a satisfactory control for this lawn pest appear promising.

### MISCELLANEOUS SHOWER AT SIDNEY HOME

A miscellaneous shower was held recently at the home of Mrs. Ronald Cooper, Admirals Road, in honor of Miss Joan Thorne, whose marriage to Les Wilkinson takes place on November 2.

The bride-elect received a corsage of pink carnations, while her mother, Mrs. K. Thorne, and mother of the groom-elect, Mrs. Ed Wilkinson received corsages of pink and bronze chrysanthemums respectively.

A gaily decorated pink and white basket held the many useful gifts. Invited guests were Mrs. G. Cherry, Mrs. P. Cooper, Mrs. E. Rooke, Mrs. A. Anderson, Mrs. M. Young, Mrs. Crawford, Mrs. S. Trimble, Mrs. B. Rooke, Mrs. J. Elliott, Mrs. G. Jones, Mrs. H. Jakeman, Mrs. M. Morley and the Misses S. Anderson, D. Brownson, Amy Macdonnell, L. Thorne, D. Wilkinson and B. Wilkinson.

### Seek Information On Bookmobile

Possibility of sponsoring a movement to bring the Bookmobile to North Saanich was discussed by Deep Cove P.T.A. and a letter asking for information relative to this matter was forwarded to the Provincial Public Library Commission. The meeting was held on October 21 when 20 members attended.

Suggestion from the recently-held P.T.A. council workshop that a family membership be instituted was fully endorsed.

Attendance pennant was won by Mrs. Rogers' class. The meeting closed following an address by Mr. Mozol on education in Poland, Scotland and England.

### ANNOUNCE PLAY FOR JANUARY

Regular monthly meeting of Peninsula Players was held Monday evening at the home of Mrs. Damaris Jackson. The meeting decided to rent a cottage and storage space at the residence of Mr. and Mrs. A. Rothery, East Road. The cottage will provide a long-needed clubhouse.

It was announced that the Christmas play will be "The Pied Piper", directed by Ailsa Rothery and presented at the beginning of

### FORMER SIDNEY DOCTOR CHEERS OTHER VICTIMS

Dr. G. H. Hoehn, former Sidney medical practitioner, was a visitor here last week-end.

Dr. Hoehn, who contracted polio while doing missionary work in Africa five years ago, recently visited a fellow-doctor missionary, Dr. R. S. Cornell, in a Seattle hospital. Dr. Cornell was similarly stricken, also in Africa, last May.

Confined though he is to a wheel chair, Dr. Hoehn conducts a busy practice in San Gabriel, Calif., and in his spare time journeys to other cities to bring encouragement to victims of polio.

The fact that he has made such a remarkable recovery, combined with his naturally cheerful nature, which has been in no way dimmed by his hardship, is of inestimable value in showing others that they, too, can make it along the long road back.

### TAFFY PULL FOR BAPTIST Y.P.S.

A well-attended meeting of the Young People's Society of the Bethel Baptist church, Sidney, enjoyed an unique program on Wednesday, Oct. 30.

Following a song service, led by Miss Joan Bath, a devotional period was conducted by Mrs. W. P. Morton. Mrs. Morton's theme, "Youth, the Time for Decisions", received an attentive hearing from the youthful audience.

At the close of the devotional period the young people enjoyed a

social program prepared by the president, Miss Dorothy Nunn. The room decorations followed the Halloween motif. Weird noises and music produced many thrills, while games and contests kept the interest and fun in high gear. An old fashioned "taffy pull" and "corn popping" with refreshments of hamburgers and coffee completed the evening.

The Victoria and District Film Council, in conjunction with the local police, will present a film and lecture on "The Story of Traffic Safety" November 15, at 7.30 p.m. The public is invited.

### WIN PRIZES FOR FANCY COSTUMES

In Fulford Hall a gay Halloween party went into full swing early in the evening with about 50 children parading around the hall, most of them in costumes.

The hall had been appropriately decorated and several comic movies were shown during the evening. Refreshments were hot dogs, candy and ice cream. Judges were Mr. and Mrs. Seymour, Mrs. Gibling, and Norman Brooks, of Victoria.

Little five-year-old Brenda Kaye was in an appropriate costume as a Halloween candy kid. Her outfit was made by her mother, Mrs. C. Kaye. Some of the prize winners were:

Original—Gabour Beredelye, John Roland, and Betsy Anne Bridgen. Best Halloween costume — Pearl Kaye, David Roland and Brenda Kaye. Comic—Maurice Akerman, Glenna Kaye and Jimmy Akerman. Special prizes were awarded to Lorne Roland, Cecile Walters and Kathy Akerman.

Mr. and Mrs. James Grosart organized the party and collected the money for the children's treats. Doug Dane was in charge of the movies.

### Guild Entertains At Harvest Dinner

The annual harvest dinner, prepared and served to the congregation of St. Peter's Anglican church, Pender Island, by the members of the Guild, took place in the Port Washington Hall on Wednesday evening of last week. After singing the blessing, led by R. G. Straker, 65 persons sat down to the well-laden tables, decorated in Halloween motif, and bowls of red apples and privet berries. Turkey, scalloped potatoes, vegetables, and assorted jellies and pickles were followed by pumpkin and apple pie. Mrs. P. H. Grimmer, president of the Guild, and her willing helpers, were thanked for all their work, and their interest, in providing the feast and friendly gathering for the congregation.

A pleasant social evening of card games followed the meal.

### Halloween Parties On Salt Spring

A number of Halloween parties, with traditional decorations and games were held on Salt Spring Island. Among them, Mrs. Barbara Williams had a most enjoyable kindergarten party for her little pupils and mothers; Mrs. DeLong entertained her Cub troop in the United church basement hall; also the E. J. Ashlees hosted a group of teenagers Thursday night when dancing was enjoyed, and had a party for some "small fry" Friday evening; Mr. and Mrs. Bond gave an enjoyable Halloween party, and A. Akerman played host to grade three children.

### Pender School Holds Gay Party

The Pender Island P.T.A., and the entire school attendance, joined forces on Thursday afternoon last, and staged a gay Halloween party.

The school children, dressed in a variety of costumes of their own making, played games in the school rooms, which were appropriately decorated with pumpkins, witches, ghosts, and goblins. Pre-school children joined in the fun, and about 40 youngsters sat down to ice cream, cookies, and other treats supplied by the P.T.A.

### Dr. McMinn Guest Of Church Group

About 90 people had a very enjoyable time last Tuesday evening when a turkey supper was held at the United Church hall in honor of Dr. and Mrs. A. K. McMinn. Dr. McMinn resigned recently as minister of the church because of ill health.

Rev. and Mrs. H. E. Marshall sat with the honored guests at the head table and Rev. Marshall gave the blessing.

George Moody presented Dr. McMinn with a wallet containing money, a gift from all present who are members of the congregation. Dr. McMinn thanked his many friends and hoped to be able to continue attending the church as a member although he is unable to continue as minister.

Mrs. Williscroft, Jr., presented Mrs. McMinn with a gift from the evening group of the W.A. in appreciation of her work in organizing the group. Mrs. A. Cuthbert was convener of the supper.

### DRESS PARADE FEATURES FETE

A Halloween party was held in Saanichton Agricultural Hall, Thursday evening, Oct. 31. About 75 children and 35 parents from the Saanichton Community Club and P.T.A. attended.

The highlight of the evening was the dress parade, with children dressed as hob-goblins, pirates, witches, and even Elvis Presley.

A huge bonfire was lit and refreshments served. This was followed by a film.

During the evening six unknown adults paraded through the hall dressed as volunteer firemen complete with hose, hand siren and water pistols, much to the delight of the children.

The next monthly Community Club meeting will be held on Thursday evening, Nov. 7, in the Agricultural Hall.

## OCTOBER DRY AND WARMER

The weather in October was characterized by nearly normal temperatures and sunshine and below normal rainfall and relative humidity reports the weather office of the Dominion Experimental Farm at Saanichton.

The monthly mean temperature of 49.6 deg. F. was 0.3 deg. below the 44-year average. The mean maximum of 56.0 deg. was 0.4 deg. above and the mean minimum of 43.2 deg. was 1.0 deg. below the long-term averages. The high temperature of 67.0 deg. F. was recorded on the 10th while a low temperature of 35.5 deg. was recorded on the 23rd.

There were 118.3 hours of bright sunshine compared to 121.7 hours for the 44-year average. The average daily sunshine was 3.8 hours compared to 3.9 hours for the long-term average.

The relative humidity of 82.6 per cent was 3.2 per cent above the 11-year average.

Total precipitation amounted to 2.85 inches compared to 3.06 inches for the 44-year average. The heavy-

## MUST TAKE LOW BID

Tenders for supply of school equipment are closely controlled by the department of education, Saanich School District learned on Monday evening. Supply of sound equipment for Mount Newton high school and North Saanich high school had been sought earlier.

The trustees favored acceptance of tenders from one supplier. In respect of one school his bid was lowest and in respect of the other his bid was lowest but one. It was felt that accepting both tenders would place the board in the position of gaining more convenient servicing in future.

The department of education replied to the board's tentative enquiry for approval with the caution that the lowest tender must be accepted under normal circumstances. CONTROL

According to the terms of the School Act the board is entitled to accept any tender, irrespective of whether or not it may be the lowest. When the department contributes a share of the funds, its decision is the controlling factor. Failure on the part of the board to accept its ruling will result in withholding of the funds.

The sound equipment for North Saanich will be supplied by Custom Sound, while Harrison Sound will equip Mount Newton high school. Total cost is in the region of \$5,000.

## NEW PLANE FOR P.W.A. ACCEPTED

Second of two DC-4E's recently purchased by Western Airlines at a cost of \$1,200,000 was cleared through Canadian customs at Vancouver Airport last week, leaving then for its regular base in Edmonton.

The big aircraft bears the identification "CP-PWA", the second in the P.W. letter series recently allotted to P.W.A.

Completely rebuilt and modified for work in the Arctic, the aircraft is quickly convertible for use as a bulk cargo carrier, a 60 to 81-passenger aircraft, or a combination of the two.

The aircraft, flown by a P.W.A. crew which had boarded it in Portland, was met on arrival by Russ Baker, president and general manager.

Both of the newly acquired DC-4's will normally be based in Edmonton, operating from there between certain points along the central section of the DEW line.

## Laid To Rest In Island Churchyard

Born in Leeds, England, and a resident of British Columbia since 1907, Miss Katherine Bellhouse, of Galliano Island, died last week in Victoria at the age of 88 years.

Miss Bellhouse leaves behind three nephews and three nieces.

Funeral service was conducted by Ven. Archdeacon G. H. Holmes in St. Margaret's church, Galliano Island, on Tuesday, with interment following in the churchyard.

### FIRE DRILLS

Carrying out of fire drills in district schools was discussed by trustees of Saanich School District on Monday evening. Inspector B. Thorsteinson stated that the fire warden in certain areas and the school inspector in others satisfied himself that such drills were routine and that they were satisfactory in their performance.

## Frank Saunders Dies At Ganges Home

Frank Saunders, 79, a native of England, and Ganges resident for the past four years, died at his home on November 2.

Mr. Saunders is survived by his wife, Irene.

Funeral services were held in St. George's church, Ganges, on Tuesday, Nov. 5, with Ven. Archdeacon G. H. Holmes officiating. Cremation followed at Royal Oak Burial Park.

Test rainfall of 1 inch was recorded on the 23rd and there were 12 days with rain.

Generally speaking October has been dry. While precipitation has been normal most of the rainfall has been in frequent light showers that have not penetrated the soil more than a few inches. Late plantings of forages and cereals have been slow to germinate due to lack of soil moisture.

## MISSPELLING IS DEPLORED

Member of the Tryon family in whose memory the Curteis Point road is named was a visitor to Sidney last week. Miss P. Tryon, whose family now resides in the Parksville district, observed that the confusion in spelling the name of the North Saanich road had been brought about by carelessness on the part of the department of lands.

The road has been misspelled by the department to such a degree that the road is frequently known as Tryon Road.
